

Additional Resources for Help

GoFundMe is your home for help, and part of that is providing you with all potential avenues to meet your needs. The following list includes nonprofits, local organizations, and government options for aid.

Help getting started

Call 211, or [visit their website](#) today, to chat directly with a representative that can connect you with local resources. 211 has connections with organizations that support housing relief, disaster recovery, food programs, and more.
